N = total number of viruses sequenced

COVID TESTING LOCATION INFORMATION

For your convenience, a drive-thru COVID-19 testing clinic is located at
Leroy West Parking Lot,
59 Leroy Avenue, Darien, CT

Testing is by appointment only, no doctor's order is needed. Appointments can be made through
www.everpointhealth.com
You do not need to be a Darien resident to be tested.

Coronavirus Testing Locations:

The State of Connecticut has partnered with United Way/211 to develop and maintain a public testing database. This database can be viewed here www.211ct.org/covidtesting. The purpose of this database is to provide accurate information on the locations of public testing facilities; users are able to search for the closest testing location based on their address.
